## Semester Review

Season's Greetings family and friends of Theta Chi, Iota Theta Chapter of Orlando Florida. What a semester we've had so far! The UCF Knights have a 9-3 record with the C-USA championship coming up on Dec. 4th, We've ushered in a terrific new class of brothers, we have been winning philanthropies and our own fundraising events have come with great success. There certainly has been a lot of things going on, what with our Homecoming with Alpha Xi Delta, brotherhood treats, events and socials.

## Homecoming

The theme: Movie, concept? James Bond Versus Austin Power. The float that we built for the Homecoming parade was themed with psychedelic themed birdcage and dancer pole. Overall, the team won 1st place awards for Float Build and Spirit, which required a tremendous amount of participation from all active members of both Greek Organizations.

## Welcome to the family, Iota Class!

Iota Class, with 38 brothers, joined us officially November 5th. During their nine long weeks under the tutelage of the much respected Marshall McGregor Love, Iota Class learned all of the ideals that we as a Fraternity uphold. Ideals that constitute accountability, business and of course Alma Mater First, Theta Chi for Alma Mater. Something that should be taken into consideration when regarding these fine young men amongst us now is that at the beginning of the semester, they were 58. Those first weeks of September, they were 58 quick acquaintances in a room together first hearing what exactly they could expect from Theta Chi. Time went on, and new members slipped off, they left the process. Either from different personal goals and commitments, or perhaps they were unable to keep up with their academics, the numbers gradually decreased to the final 38. Everything happens for a reason, and we as a brotherhood are grateful for those who have joined our ranks. We have watched with laughs and familiarity as Iota class grew from acquaintances, to friends, to what we all aim for- brothers. Congratulations Iota Class, we are proud, and welcome to the family!

The crude yellow arrow in the picture to the right directs our attention to Iota Class Brother Brayden Smith( right on second picture with Big Brother Nolan Collier on left), who courageously volunteered for the final lift in this years Zeta New Member Lip Sync. Brayden's class brothers threw him high enough that for a brief moment he was out of the camera angle, before landing safely back into his brothers arms. This was the final touch to an already exciting New Member dance routine that won Theta Chi's first 3rd place ranking in the competition. Thank you Brayden Smith

# Kappa Kappa Cook Off

## Winning Philanthropies~

For Kappa Kook-Off Sampson Kasapakis, Ben tan, and Will Kuntemeier made pulled pork sandwiches and buffalo chicken cheeseburgers. We placed 2<sup>nd</sup> in food with our pulled pork. Will Kuntemeier and new brother Steven Faucher won 1<sup>st</sup> place in the football throw, while Chris Himes and Gary Adams won corn hole. Theta Chi placed 1<sup>st</sup> in spirit with our banner and handmade aprons. Winning all those events at the Kook-Off allowed us to be crowned with the 1<sup>st</sup> place trophy for the event

Thanks to all brothers who participated!!

## Welcome to the family, Iota Class!

Theta Chi placed 1st place overall and 2nd place in the football tournament, which required complete chapter participation at the Pi Beta Phi Arrow Bowl BBQ and attendance at the games Saturday October 25th from 10am -2pm. The theme chosen was fratopoly, in which we created shirts that mimicked the board game Monopoly's different board pieces and property cards as jerseys.

RE MIND

The vision of the Bob Woodruff Foundation is to provide resources and support to injured service members, veterans and their families.

## After Dark on Greek Park

After Dark On Greek Park, which occurred on November 10th this past year, was an incredible success. Hundreds attended as the night went on and we made a little over \$3,000 to benefit the Bob Woodruff foundation.

This was the second time that Theta Chi Fraternity hosted After Dark on Greek Park, a concert fundraiser planned in conjunction with Alpha Epsilon Phi sorority to benefit the Sharsheret Breast Cancer Network. This year we had a mechanical bull, sponsoring from Mike Silvermine subs, SmoothieKing, Gator's Dockside and Grill, Maggianos Little Italy, Ifixyourl, and Reebok. A local band also played and the event gained recognition from Knightnews.

## Golf Scramble

On Nov 7th we had our 1st Annual Theta Chi Golf tournament! We had 32 brothers participate at the Twin Rivers Country Club. The day was full of goofy fratty golf outfits, and of course a little drinking to keep us cool from the sun. The Overall winners for the Scramble was the team the Fratlesnakes (Dan Healy, Graham Hawkins, Cj Konstantinos, Jake Sitero) who hit 15 under with a score of 58. It was the beginning of a brotherhood tradition we hope carry on for a long time!

### Tennis Tournament

This past Tennis tournament was our first annual Theta Chi Fall Open. The event took place at the UCF tennis courts on September 18<sup>th</sup>. Numerous brothers participated in the single's double elimination tournament. After 3 hours of matches concluded we had 2 winners. Burns Bradford took the Championship trophy home defeating Ben Tan in a 6-2 victory. Ben Tan while finishing 2<sup>nd</sup> won the honor of the Sucks To Suck Trophy for losing the championship match.

**Family Weekend Sept 11th**  
**Playing North Carolina State.**  
Family weekend was the perfect way to meet the parents and siblings of our much loved brothers. With all you could eat sonny's pulled pork and a kiddie pool full of ice and beer, we had everything we could possibly want for a great tailgate. When it came down to it, all we needed to have a good time was family, friends, and plenty of food. I can't wait for theta chi's next annual family weekend.-Nate Enos
